Howard C. Smith

Signature - Clerk of the Court

This copy to be held by the Clerk of the Court, and forwarded to the Division of Vital Records, State Department of Health and Mental Hygiene, 201 W. Preston Street, Baltimore, Md. 21201, upon receipt of page 3, copy of Certificate for Clerk of Court.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) and (2) under the conditions (3) and (4). It is shown that the system of equations (1) and (2) has a solution if and only if the conditions (3) and (4) are satisfied. The proof of this theorem is given in the next section.

2. In the second part of the paper, the problem of the uniqueness of the solution of the system of equations (1) and (2) is considered. It is shown that the system of equations (1) and (2) has a unique solution if and only if the conditions (3) and (4) are satisfied. The proof of this theorem is given in the next section.

3. In the third part of the paper, the problem of the stability of the solution of the system of equations (1) and (2) is considered. It is shown that the system of equations (1) and (2) has a stable solution if and only if the conditions (3) and (4) are satisfied. The proof of this theorem is given in the next section.

4. In the fourth part of the paper, the problem of the asymptotic stability of the solution of the system of equations (1) and (2) is considered. It is shown that the system of equations (1) and (2) has an asymptotically stable solution if and only if the conditions (3) and (4) are satisfied. The proof of this theorem is given in the next section.

5. In the fifth part of the paper, the problem of the boundedness of the solution of the system of equations (1) and (2) is considered. It is shown that the system of equations (1) and (2) has a bounded solution if and only if the conditions (3) and (4) are satisfied. The proof of this theorem is given in the next section.
